

Stuff a Backpack for Local Students in Need! June 29 – July 23, 2021

This summer we're calling on our generous Anneslie neighbors to help the Baltimore County Student Support Network, which improves the lives of Baltimore County students living in poverty by providing food, other basic necessities and advocacy support. Learn more at <https://studentsupportnetwork.org>.

Our Anneslie **Stuff a Backpack** charity drive has one mission – to get fall school supplies to local children in need. We're purchasing backpacks and items to fill them. And it's super easy for you to participate!

To kick things off, the Anneslie Community Association is donating \$300 that we would have spent on our winter and spring events. We'll purchase 10 backpacks at \$30 each. Our goal is to gather 500 additional items by our deadline – **Friday, July 23**.

Here's how you can help – starting now!

Option 1 – Amazon: Go to the [wishlist](#) on Amazon and send supplies directly to the Network. In the address field select: Student Support Network's Gift Registry Address

Option 2 – Drop Off: Buy supplies on the [wishlist](#) at a store or online and drop them off to a neighbor below – we'll take them to the collection point at Goucher College.

- Hardesty – 540 Anneslie (bin on back deck)
- Kromkowski – 620 Anneslie (bin on front porch)
- Robey – 618 Dunkirk (bin on front porch)

Option 3 – Monetary Contribution: Visit anneslie.org and follow the directions to send any amount via PayPal or credit card. Or send a check payable to the Anneslie Community Association at PO Box 39251, Baltimore, MD 21212 – we'll get the funds to the Network.

THANK YOU!!!
